Abstract: The National Underground Railroad Network to Freedom Act of 1998 (54 U.S.C. 308301, et seq.) authorizes the NPS to collect information from applicants requesting to join the Network to Freedom Program (the Network). The NPS uses Form 10– 946, National Underground Railroad Network to Freedom Application, to evaluate potential participants and determine eligibility to become part of the Network. Through the Network, we coordinate preservation and education efforts nationwide and are working to integrate local historical sites, museums, and interpretive programs associated with the Underground Railroad movement.

All entities that apply to join the Network must have a verifiable association with the historic Underground Railroad movement and complete NPS Form 10-946, “National Underground Railroad Network to Freedom Application,” available at <https://www.nps.gov/subjects/ugrr/index.htm> (website). Respondents must (1) verify associations and characteristics through descriptive texts that are the result of historical research and (2) submit supporting documentation (e.g., copies of rare documents, photographs, and maps).
